

Winters Barns

For an unforgettable country wedding

Winters Barns is the perfect romantic setting for anyone looking for exclusive use of a secluded wedding venue. The charming barns, with vaulted, beamed ceilings and stunning grounds, are located in the heart of the beautiful Kent countryside, just outside the historic town of Canterbury.

Dating back to 1690, the barns are licensed for civil ceremonies and can seat up to 150 people, so you and your guests will be able to relax and enjoy your special day in one intimate location whatever the weather. A stunning bridal cottage and bridal salon is also found within the seven acres of tranquil gardens to help your day run smoothly.

Winters Barns is only seven minutes away from the motorway network and within easy access of both London and the South Coast, yet when you step into this fairytale location you feel a million miles away from the hustle and bustle of modern life.
