

Winters Barns

Marry Someone Special, Somewhere Special

Welcome to Winters Barns and congratulations on your forthcoming wedding

Winters is just on the southern outskirts of Canterbury and is surrounded by open fields and beautiful views, yet close to the many hotels and facilities of Canterbury.

When you choose Winters Barns for your wedding, our secluded Kentish estate and historic barns become your home for the day, *exclusively yours*.

We deliver unequalled *attention to detail* so you can relax with confidence.

We offer flexibility so that your wedding can be unique, and we guarantee *exceptional service* for you and your guests.

We have *all inclusive packages* right through the year, mid-week, and weekend. Our packages offer exceptional value for money and quality, also offer flexibility within the package.

If you prefer, we can tailor a complete bespoke wedding for you and will quote individually for your requirements. Elopement packages and afternoon only weddings are offered and quoted individually.

Wedding Co-ordinators & Support

From booking you have access to our team to help plan and schedule your wedding.

We offer unlimited phone and email support, co-ordinating site visits, menu and wine tastings and provide a dedicated team of wedding co-ordinators to be your personal assistants on the day.

You will also have a planning meeting well in advance of your wedding to finalise and check all the details and produce a detailed schedule of the day.

Dressing Rooms

We have two dressing rooms, so the wedding couple have a separate room each in which to get ready.

Pump Room

This is our second dressing room with equal facilities to the salon, for the groom's party, or same sex couples.

The Salon

You and your bridesmaids can get ready in our large modern salon, with hair and beauty stations – lounging area – kitchen, full length mirrors. The Registrar and Celebrant will meet you here before your ceremony, and you will be accompanied by our wedding co-ordinator to ensure everything runs smoothly.

You can bring your own hairdresser and beautician, or we can advise you of our local recommended stylists.

Ceremony

You have a choice of an outside or an inside ceremony. Outside ceremonies are in the beautiful open sided Cart Barn, approached by the oak wedding arch. Inside ceremonies are in the lovely oak beamed but light and airy 1750 Kentish barn – fully heated and air conditioned. Both areas sit up to 150.

For a church wedding, there are two pretty country parish churches nearby, and of course several churches in Canterbury, including the Cathedral.

Even if you are having a church wedding you can still get ready in our salon and leave from Winters Barns.

Bouquet Throwing & Confetti Tunnels

These traditions can enhance the day and create fantastic photo opportunities. Our wedding co-ordinator will organize these if you wish.

Photo Locations

At Winters Barns, there are endless photo opportunities, inside and outside, it truly is a picturesque venue for all seasons.

At night, the gardens and beamed oak structures are illuminated magically.

See the galleries, videos and virtual tours on our website and follow our current weddings on Facebook.

Post-ceremony Drinks & Canapés

After your ceremony at Winters Barns, or after returning from church, you will be greeted by drinks and canapés.

These may be served either indoors or outdoors according to your preference, and of course the season and weather. We are very much a venue for all weathers and all seasons.

Reception

The wedding breakfast is served in the most historic part of the barn. Here up to 150 can sit comfortably in a beautiful original oak framed 1660 barn, which is light and airy and a beautiful space day and night. We can cater for small or large receptions, with either banquet or round tables of different sizes to match your numbers.

Catering

Our aim is that you and your guests are wowed by the quality of our food and service.

Our wedding menus are provided by Scott Anderson Ltd of Brogdale, Faversham. They provide free consultations and complimentary tastings at either Winters Barns or at Brogdale.

Tasting menus provide a 'dress rehearsal' for your special day. They enable you to sample your chosen menus and to create your overall look. They will talk you through every aspect of your wedding catering to ensure nothing has been overlooked.

We specialise in catering for any dietary requirements, and wherever possible fresh produce is sourced locally from Kent.

Drinks

Imagine a refreshing Pimm's served in the gardens during the summer, or a warm mulled cider served indoors on a cold winter's day. We run a fully stocked and staffed bar all day, and we include a drinks package within our all-inclusive prices. Our English Garden Party option of wines include local award-winning Kentish wines.

Cocktails including your signature cocktail can be arranged.

Our licence for alcoholic drinks and amplified music runs to midnight Monday to Saturday. On Sundays, our bar licence runs to midnight but amplified music ceases at 11.00pm, you can still have background music on Sundays until midnight.

You will have a meeting before your wedding for a discussion about your requirements and you will be invited to a wine tasting.

Our bar prices are in line with average Canterbury pub prices.

First Dance

Our 1750's area of the barns becomes the dancefloor for the evening. The mood changes and the party can begin.

For our all-inclusive packages one of our excellent DJs is provided, or you can have a live band, or play your own music through our professional sound system.

During the day and for the ceremony you can have live music such as a string trio or harpist from our list of recommended suppliers.

Night's End & Accommodation

When your day is over and you have waved goodbye to your friends and family, you can unwind and take your time leaving the venue. The newlyweds stroll over to their cottage on the estate. We have two hop picking huts with King size beds and ensembles for your guests, and a further six ensuite rooms in our farmhouse. Canterbury City Centre is only a short 5-minute drive away.
